Building the Balanced Scorecard for Your Business - dummies

After the business strategies are developed, they are deployed and tracked through the Four Legs of the Balanced Scorecard. These four legs comprise four distinct business perspectives: The Customer Leg, the Financial Leg, the Internal Business Process Leg, and the Knowledge, Education, and Growth Leg. These four legs of the Balanced Scorecard are necessary for today's business executives and managers to be able to plan, implement, and achieve their business strategies:

Why Use the Balanced Scorecard Strategy? - dummies

I eagerly waited for the Dummies version of the Balanced Scorecard, after using the model for several years and studying several books on the subject. Unfortunately, I found it badly organized. I would have liked to see a suggested process for developing the scorecard, including who should be involved and at what level in the organization.
