Classical And Contemporary Sociological Theory

NKU's program includes courses in both classical sociological theory and contemporary sociological theory, covering the progression of the field from its inception to modern times. This comprehensive study of sociological perspectives over time gives students a broad understanding of the development of theories of social structure from the micro individual level to the macro societal level.

Study Both Classical and Contemporary Sociological Theory

The combination of both 'Classical' and contemporary theory gives an excellent overview of where the discipline has come from, and where it is going. Each chapter/section is structured in a way that introduces the theorist, orients their perspective and theoretical background, summarizes their major themes, and presents sections from their key writings.
