Here is an updated
version of the \$domain
website which many of
our East European
book trade customers
have been using for
some time now, more
or less regularly. We
have just introduced
certain upgrades and
changes which should
be interesting for you.

Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you.
