Discussing Design: Improving Communication and ...

When I started reading "Discussing Design: Improving Communication & Collaboration Through Critique," I wasn't sure this book was necessary. It seemed to be merely a compilation of group communication principles (plus some user experience design techniques) covered in many other resources.

Discussing Design: Improving Communication and ...

Communication design is specifically used when discussing the strategy involved in expressing information through visual design. For communication designers, this can become the foundation for how they think about visuals and is, then, the real definition of what they do. Those who work in communication design may work in fields like branding, advertising, or web and app design.

Discussing Design Quotes by Adam Connor

We were able to design a quick and simple assessment within our limited available time. We discovered that communication was the main problem. Our current methods were not very effective, especially with the staff who are doing much of the work: each department tends to focus on its own issues and not communicate outside.
