Manual Update Dota 2

im copying dota 2 from another netcafe without backing it up first (my biggest mistake) and then i copy the folder to the steamapps/common/... but when im open steam the "Dota 2" did not show up , i already checked up the backup menu but there's no Dota 2 it says. And now if i want to play Dota 2 i must play it manually from the folder itself. The question is , how to UPDATE it ?
