The National Economic and Technological Development Zones are the special areas of the People's Republic of China where foreign direct investment is encouraged. They are usually called the "Economic and Technological Development Zones" or simply the "Development Zones". These national level programs started with the Special Economic Zones for three cities in 1978, as part of China's economic reform, and were extended to the Economic and Technological Development Zones in 14 cities in 1984. There
