### How to spot (and deal with) an energy vampire

An emotional vampire is a person who drains the emotional energy out of you, which leaves you feeling exhausted or worse after you see them. They lurk as needy relatives, workplace bullies or complain-loving friends. They can make us feel overwhelmed, depressed, angry or fatigued. People who are emotional vampires may do things like:

**Protect yourself from the emotional vampire | PsychBC**

God forbid that your significant other is an emotional vampire. The effects are devastating, extremely damaging and the abuse of friendship and love (much worse than physical abuse in my opinion) takes years to get over. The important thing to grasp is that these creatures are NOT human in the sense that most 'normal' people would understand.
