The art forgers handbook is an intriguing confession. While having reference worthy material I would advise against believing the book is the bible on the subject. Forgery involves a talent for broad and bizarre logic that involves not only the crafting but also a mental empathy inside the universal mind of the collector, the dealer, and the expert.

The Art Forgers Handbook: Hebborn, Eric: 9781585676262 ...

Eric Hebborn must have been a great person to have a drink with, especially if his conversation was like his writing style: witty and brutally honest. This book covers his humble (and sad) upbringing in an abusive home, his stints in a juvenile jail and foster homes, and his life as an art student, dealer of prints and drawings, and as a forger.
