A superbill is a detailed invoice outlining the services a client received. Therapists may need to generate a superbill when they are not on a client's insurance company's panel.

What Is a Superbill, and How Do I Put One Together?

As a startup practice it was challenging getting up and running. PracticeSuite has a very affordable software, and to be honest, that's why I originally went with it. As I learned the system, I didn't realize how deep functionality the EHR had. And from what my staff has been able to demonstrate, the billing and reporting is top notch.

Our superbill is the only paper superbill template that effectively includes the CPT and ICD-10 codes you need, tailored to your specialty. Does This Cover Meaningful Use? Your practice will still want to use an EHR system to capture the relevant data for patient encounters in order to qualify for meaningful use.
