(PDF) A Handbook-Based Methodology for Redesigning ...

"If a student researcher had only one handbook on their bookshelf, Miller and Salkind's Handbook would certainly have to be it. With the updated material, the addition of the section on ethical issues (which is so well done that I'm recommending it to the departmental representative to the university IRB), and a new Part 4 on qualitative methods, the new Handbook is an indispensable ...

Handbook of Research Design and Social Measurement ...

This paper presents a structured methodology, based on the use of a Handbook of process models, for redesigning business processes. The methodology is illustrated using examples from the agri-food supply chain domain. We discuss the strengths and weaknesses of this approach, and identify avenues for further work.
