Three interior design editors and curators recommend books they would add to any interior design library. Stanley Abercrombie's Book List. As for so many other things, I blame my parents: they planted the seed of my hunger for books—especially art and design books—with a Christmas present. When I was eight or nine, growing up in a small ...

Every design firm needs to have a comprehensive employee handbook. Quite separate from employment agreements that are specific to particular individuals (as discussed in a previous article, "Employment Agreements for Designers"), the handbook applies equally to all staff members. It documents general policies and rules and helps shape the overall culture of the company.
