Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

New Narrative FOR Europe. The Mind and Body of europe. As artists, intellectuals and scientists, and first and foremost as citizens, it is our responsibility to join the debate on the future of Europe, especially now, when so much is at stake. Confidence in Europe needs to be regained. In light of the current global trends, the values of human dignity and democracy must be reaffirmed.
