Political Sociology: A Critical Introduction by Keith Faulks

In this introduction, we trace the political contexts in which polyamory arose, investigate their implicit assumptions from an intersectional, multi-issue perspective, and position ourselves socially and politically as editors of this special issue. We hope to provide a critical introduction to polyamory.

Polylogue: A Critical Introduction to Polyamory ...

Introduction Political sociology is the study of power and the relationship between societies, states, and political conflict. It is a broad subfield that straddles political science and sociology, with "macro" and "micro" components.

Political Sociology - Sociology - Oxford Bibliographies

Description : Using a critical, inequality-based approach, Thinking About Sociology explores social theory through real-world examples that challenge students to rethink their own assumptions about their roles in society and the social institutions with which they interact.

Sociology A Critical Introduction | Download eBook pdf ...

The articles collected together in this volume are concerned with why and how people get involved in politics, whether through formal mechanisms such as voting, through some of the more informal means and settings of social movement networks and political protest, or through engagement in public debate. But just as important is the question of why people do not get involved in politics. What ...
