Pugmire is a world that juxtaposes the tropes of high fantasy with our relationship with domestic dogs. The main characters are pioneers that explore lost ruins in search of relics, knowledge, and danger. Enemies can either be monstrous or simply other misunderstood people, such as the cats of the Monarchies of Mau.

Has anyone actually tried Pugmire? I found it on DriveThruRPG, and while it looks intriguing, I've only seen one real in-depth review. It seems like D&D 5E with dogs, with all the pros and cons that comes with 5E, but can anyone give any more insight about the system?

Has anyone actually tried Pugmire? : rpg

Monarchies of Mau Core Rulebook is a role playing game supplement published by Pugsteady through Onyx Path Publishing. This is a role playing game system with anthropomorphic animals as characters; in this case, cats. This is a follow-on to the Pugmire Core Rulebook in which the characters were dogs.

Hey guys, I'm looking to get into pathfinder, and am trying to find the core rulebook online, but all I can find an easy PDF for is 5th printing. Do I need the 6th printing to play Pathfinder Society, or would the 5th work also? If I need the 6th, is there anywhere the PDF is available online? Thanks!
