Requiem for the American Dream is a documentary/interview with Noam Chomsky. He explains - logically and dispassionately - what the corporate class has done to this country, and explains, in detail and example, the ruination of the United States. Please, folks, I cannot emphasize too strongly what an important film this is.

Let them tell you that the legendary "Requiem for a Dream" is a gorgeous and immersive work of art, and that it's exceptionally well-acted. Because it is those things. But in some ways, those pleasant accolades only distract from this film's exterminating core truth: Sometimes, dreams just don't come true.
