(PDF) Chapter 3 - Research

Methodology and Research Method

Research methods are specific procedures for collecting and analyzing data. Developing your research methods is an integral part of your research design. When planning your methods, there are two key decisions you will make. First, decide how you will collect

File Type PDF Research Method And Methodology In Finance And Accounting

data. Your methods depend on what type of data you need to answer your research question: Qualitative vs. quantitative: Will your data take the form of words or numbers?

Research Methods | Definitions, Types, Examples

Quantitative research deals with

File Type PDF Research Method And Methodology In Finance And Accounting

numbers and statistics, while qualitative research deals with words and meanings. Quantitative methods allow you to test a hypothesis by systematically collecting and analyzing data, while qualitative methods allow you to explore ideas and experiences in depth.
