The Alabaster Hip The Regency

The Alabaster Hip is the last book in the series of the Regency Romp Trilogy. Minerva is a spinster who loves romantic poetry and has been unmarried due to the fact that the love of her life was killed in the war. She finds herself ending up at Viscount Marlowe's home and teaching his twin daughters, who have terrorized everyone in their wake.

The Alabaster Hip (The Regency Romp Trilogy, #3) by Maggie ...

A light hearted quirky regency romance - most enjoyable. Well drawn minor characters reminiscent of the style of Georgette Heyer and fast paced witty dialogue with a couple of steamy scenes thrown in for good measure.

The Alabaster Hip (The Regency Romp Trilogy Book 3 ...

The Alabaster Hip is just as funny and romantic as the first two Regency Romps. The criminals have the perfect balance of evil and incompetence. I did read this book when it first came out as an ebook, however I really do not enjoy that format. Listening allows me to slow down and savor the language and the details.
