The Better Angels Of Our

The Better Angels of Our Nature: Why Violence Has Declined is a 2011 book by Steven Pinker, in which the author argues that violence in the world has declined both in the long run and in the short run and suggests explanations as to why this has occurred. The book uses data simply documenting declining violence across time and geography. This paints a picture of massive declines in violence of all forms, from war, to improved treatment of children. He highlights the role of nation-state monopoli

The Better Angels of Our Nature - Wikipedia

Pinker explored violence quite thoroughly beginning his book at the beginning of human existence and moving to modern times in the almost 700 pages of The Better Angels of Our Nature. He explored historical myths as well as historical documents to arrive at his conclusions. He used archaeological finds to disprove mythical battles.
