We used their data to determine the darkest destinations around Rochester from which to observe the Universe.

The Darkest Sky Near Rochester | Day Trips Around ...

The New York City blackout of 1977 brought the city to its knees. The city had been in financial and social decline for years. The serial killer David Berkowitz, the Son of Sam, had killed numerous New Yorkers and was still at large. On top of it all, a record heat wave was in full swing. The '77 blackout was a tipping point; the panic saw looting and a surge in arson.
