The Elements of Good

# Get Free The Elements Of Graphic Design

Graphic Design are the components or parts of a work of art or design. More simply put, they are the ingredients of art. Take one part color, a pinch of texture, and a whole lot of shape and the result will be some well designed graphic design. Recipes may vary, but all works of art and design contain a combination of the following seven elements shown in this

Updated on March 09, 2020 All graphics are composed of one or more graphic design elements. They are components such as color, type, and images, as opposed to principles of design such as balance, focal point, and white space usage. Not all pieces incorporate every element; for example, lines and shapes can
