is one of the publishing industry's leading distributors, providing a comprehensive and impressively high-quality range of fulfilment and print services, online book reading and download.

### The End Of Power By

The End of Power by Moisés Naím has some problems, more on that later. But something fundamental bothered me about it the entire time I was reading it. After a few weeks of reflecting on it here and there I figured it out—it was the title. This book is not about the end of power at all, it's about the shifting of power.

### The End of Power: From Boardrooms to Battlefields and ...

However doom-laden for a mega-player or potentially liberating for a change agent, the End of Power's key strategic point is that the once impregnable positions held by dominant nations and corporations are being undermined by three cultural shifts that have arisen out of a greater access to 'soft power' strategies (Nye) of culture and ideas due to a combination of technological innovation and the coming to pass of McLuhan's 'global village': Moreism, i.e. increase in sovereign states ...

However, I was hoping this article would touch on the power struggles at bedtime. My 3.5 year old daughter has a hard time after lights out which has become frustrating to say the least. She is fine getting ready for bed, story time, and getting into bed but once I start to leave the room, the power struggle begins.
