The Upside of Stress: Why Stress Is Good for You, and How to Get Good at It

(PDF) The Upside of Stress: Why Stress Is Good for You ...

Changing your mindset doesn't mean taking a Pollyanna view of the world. The key isn't to deny stress, but to recognize and acknowledge it—and then to find the upside, because a full-throttle fight-or-flight response is not the only possible reaction to stress (at least when the stress does not involve a potentially life-threatening situation).
