The Wisdom Of Crowds Why

The Wisdom of Crowds: Why the Many Are Smarter Than the Few and How Collective Wisdom Shapes Business, Economies, Societies and Nations, published in 2004, is a book written by James Surowiecki about the aggregation of information in groups, resulting in decisions that, he argues, are often better than could have been made by any single member of the group. The book presents numerous case studies and anecdotes to illustrate its argument, and touches on several fields, primarily economics and psy

The Wisdom of Crowds - Wikipedia

Finally, democracy, as a classic case of emerging wisdom of the crowd, can be shown to be superior to Platonist elitism. But
