As long as invention and innovation exist, intellectual property lawyers, paralegals, and other professionals will be needed to procure the rights to new ideas and protect the ownership of existing creations. Even when other law practices are affected by a recession, intellectual property law continues to thrive.

Hot Law Practice Areas During The Recession

For many new lawyers, lack of organization in pre-lawyer days led only to personal suffering. As an attorney, the stakes are much higher. Disorganization is detrimental to your clients, to your firm, and ultimately, to your career. Set aside a small amount of time each day to get organized.
