that protects and compensates people who have been injured by the negligence, or recklessness, or intentional acts of wrongdoers. And it is the law that protects and compensates people who are injured by unsafe or defective products. Tort law is one main pillars of the law.

What is Tort Law? | The American Museum of Tort Law

Tort law governs how people may sue each other civilly (as opposed to criminally) in order to receive compensation for harms or injuries other people caused them. In this module, Professor Allen will explore the goals of tort law through a historic case. She will address what makes tort law distinct and issues surrounding negligence and liability.

intent is applicable: battery, assault, false imprisonment, trespass to land, and trespass to chattels. Generally, any intent to cause any one of these five torts which results in the completion of any of the five tortious acts will be considered an intentional act, even if the actual target of the tort is one other than the intended target of the original tort.

United States tort law - Wikipedia

Definition. A tort is an act or omission that gives rise to injury or harm to another and amounts to a civil wrong for which courts impose liability. In the context of torts, "injury" describes the invasion of any legal right, whereas "harm" describes a loss or detriment in fact that an individual suffers. 1.

American Tort Reform Association - ATRA

TORT LAW AND THE GOLDEN RULE "...The generally held ethical imperatives of Western civilization are characterized by the opposition between two forces, egoism and altruism, care for self and care for others. The tension between these forces is resolved by the credo: "Do unto others as you would they would do unto you."
