Writing Teachers Children At Work

During the writing conference, the teacher should set up clear expectations for the child. Teachers should be intensive listeners, providing plenty of wait time for the child to express true intentions. First the teacher can ask questions based on what he/she is sure the child knows, and then follow-up with more challenging questions.

Author Bio: Donald H. Graves - Heinemann

Writers are provided an audience for their work, and, for many children, comments by their peers will be attended to in ways that a teacher's comments would not. The reader may pick up on techniques of fiction that might not be apparent from reading a professionally published book, and will have an emotional investment in reading and understanding the work that other kinds of reading do not offer.

Writing: Teachers & Children at Work book by Donald H ...

"Children want to write." This is the quietly stunning sentence that marked the birth of Heinemann. It is, of course, the opening to Donald Graves' Writing: Teachers and Children at Work.1"Children want to write" is not the kind of sentence you would expect an award-winning academic researcher to write.

Where It All Started

As a result of his inspiration after his research with elementary children at Atkinson Academy, Donald Graves wrote and published his 1st book in 1983, entitled, "Writing: Teachers and Children at Work". Major Strategy:Donald Graves never had a doubt that all children could write if they were given the proper guidance.
